RE: 5th Annual Solidarity Motorcycle Run

Business Manager Timothy Watkins
IBEW Local 300
3 Gregory Drive
South Burlington, VT 05403

Dear Brother Timothy,

Union members have a rich history of donating their time, talent and treasure to support the communities around them. As the world continues to get more unsettled and the struggles of the common man seem even more insurmountable, we must strive to continue this proud tradition.

On May 19th 2019, IBEW Local Union 99 and Local Union 2323 will again join forces and host our Fifth Annual Solidarity Ride. This is an event open to Motorcyclists and non-riders alike. In the past 4 years we have donated over \$85,000 for the most vulnerable people in our communities.

This year, we are riding to raise desperately needed funds for three great 501(c)3 charities:

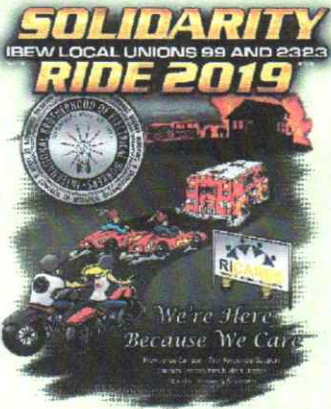

- (1) The Providence Canteen, who's volunteer mission is to support: our first responders, natural disaster victims, workers in conflict and the vulnerable public at large by providing food and beverages as well as financial support at the most crucial of times
- (2) Shriners Hospital for Children in Boston providing the highest of quality medical care to children regardless of the families ability to pay,
- (3) RICARES which is a grass roots effort focused on creating a socially just community for all Rhode Islanders impacted by Substance Abuse by providing them the resources they need to be successful as well as being advocates for change.

Events like this are only successful if people like you and I reach into our pockets and offer to help. I sincerely hope you will find it in your heart to help us help these wonderful charities. They are an amazing group of people with amazing missions that would never exist if not for the generosity of all of us.

In closing, please find our Ride Flyer, which we respectfully ask you to post and the Pre-order form for buying T-shirts or making a donation. If you have any questions at all or wish to get more involved, please feel free to call me at any time to chat about the event.

In Graceful Solidarity,

Joseph L. Walsh, Jr./Union Organizer
